### **Crawford Disclosure Statement**

I declare that I have no relevant or material financial interests that relate to the research described in the paper, "Quality overprovision in cable television markets."

My only source of financial support for this paper has been an ESRC (UK) Research Grant, RES-062-23-2586, awarded October 1, 2010 while I was a professor at the University of Warwick (UK). This permitted me a majority of the materials and time necessary to conduct the research in the paper.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Gregory S. Crawford', written over a light blue circular stamp.

Gregory S. Crawford
