### Disclosure Statement

Disclosure statement for “Can Network Theory-based Targeting Increase Technology Adoption?” by Lori Beaman, Ariel BenYishay, Jeremy Magruder, and A. Mushfiq Mobarak.

- This study was supported by 3ie and the CEPA/JPAL Agricultural Technology Adoption Initiative (ATAI).
- The study is registered with the AEA registry under AEARCTR-0002017.
- IRB approval was provided by Northwestern University (STU00030251), MIT (COUHES 1005003884), and UC Berkeley (2010-02-875).
- I am presently a board officer for ATAI, for which I receive a small honorarium. ATAI does not have a financial stake in the success of this research and so this is not a traditional conflict of interest. In addition, I was not serving on the board at the time this research was funded.
- I have no close relative or partner with conflicts of interest with respect to this research.
- No other party had the right to review the paper prior to its circulation.

Best regards,
