

Disclosure Statement for the article

**Incentivizing Safer Sexual Behavior: Evidence from a Lottery Experiment on HIV Prevention**

The research described in the submitted manuscript has received financial support from the following sources:

the World Bank's Strategic Impact Evaluation Fund,  
the Bank-Netherlands Partnership Program at the World Bank  
the Trust Fund for Environmentally & Socially Sustainable Development at the World Bank  
the Knowledge for Change Program at the World Bank  
the Swedish Research Council (421-2009-2209),  
the Program for Development Research, SIDA,  
the Swedish Foundation for Humanities and Social Sciences

The trial was approved by the ethic committee of Fondazione IRCSS in Milan, Italy, (IRB approval number: D201464).

The study was registered at:

the American Economic Association Registry for Randomized Controlled Trials (RCTs): trial registration number is AEARCTR-0000567;  
the Pan African Clinical Trial Registry: identification number for the registry is PACTR201310000664325

I have not received any financial support in the form of consultant fees, retainers, grants and the like from any interested party, where an "interested" party is any individual, group, or organization that has a financial, ideological, or political stake related to the article.

I do not hold and have not held any paid or unpaid positions as officer, director, or board member of relevant non-profit organizations or profit-making entities. A "relevant" organization is one whose policy positions, goals, or financial interests relate to the article.

The above disclosures also apply to any close relative or partner of mine.

No other party had the right to review the paper prior to its circulation.

September 21, 2016.
