

# Disclosure Statement

Mark Borgschulte

June 1, 2016

The paper “Paying to Avoid Recession: Using Reenlistment to Estimate the Cost of Unemployment” was supported by a RAND contract with the Department of Defense. Data was provided by DMDC and SSA. Data access agreements stipulate that we cannot share this data.

Mark Borgschulte received no significant financial support for this project.

The research for this paper was conducted as part of a contract from the Dept of Defense to RAND, which had IRB approval under the title “Long-Run Economic Well-Being of Enlisted Veterans.”
