Disclosure Statement

September 30, 2016

I, Arthur Robson, declare that I have no relevant or material financial interests that create conflicts for the research described in the paper "Certified Random: A New Order for Coauthorship", with Debraj Ray. I did, however receive funding from the Canada Research Chairs Program and the Social Sciences and Humanities Research Council of Canada. There were also no experiments that required ethical approval.

A handwritten signature in black ink, consisting of a large, stylized initial 'A' followed by a long, horizontal line extending to the right.
