

"Rural Roads and Local Economic Development," by Sam Asher and Paul Novosad

Submission to American Economic Review

Disclosure Statement for Paul Novosad

The author declares that he has no relevant or material financial interests that relate to the research described in the paper.

This paper did not involve collection of data on human subjects, so the project was considered exempt from IRB.

A handwritten signature in black ink, appearing to read "Paul Novosad". The signature is stylized, with the first name "Paul" written in a cursive script and the last name "Novosad" written in a more formal, slightly cursive script.
