January 16, 2019

Dear Editors,

With regards to the manuscript “Steering the Climate System: Comment”, for which I am a co-author and would like to submit for publication in the *The American Economic Review*, I declare that I have no relevant or material financial interests that relate to the research described in this manuscript. An IRB approval was not obtained because the research does not involve any experiments.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Susan Solomon'.
