**Disclosure Statement for “Targeting In-Kind Transfers Through Market Design: A Revealed Preference Analysis of Public Housing Allocation”**

I declare that I have no relevant or material financial interests related to the research described in this paper. Research support from the National Science Foundation Graduate Research Fellowship Program is gratefully acknowledged. I also thank the Cambridge Housing Authority for providing the applicant and tenant data used in this research.

I obtained IRB approval for this research project from the Massachusetts Institute of Technology and New York University.

Sincerely,

A handwritten signature in brown ink that reads "Daniel Waldinger". The signature is written in a cursive style and is underlined.

Daniel Waldinger
