The Impacts of a Multifaceted Pre-natal Intervention on Human Capital Accumulation in Early Life

**Author: Lucie Moore.**

1. Financial support was obtained for this research project from Department for International Development (DfID) and the ESRC Centre for the Microeconomic Analysis of Public Policy at IFS (ES/H021221/1).
2. I declare that no financial support has been received in the past three years from any interested party.
3. I have been employed as a full-time permanent staff member at the Department for International Development (DfID) since December 2018. DfID funded both this research and the intervention being evaluated. However, my role at DfID is completely unrelated to this research. I declare that no other relevant paid or unpaid positions are held.
4. I declare that the disclosures required above also apply to any close relative or partner.
5. I declare that no other party has the right to review the paper prior to its publication.
6. I declare that for published articles, information on relevant potential conflicts of interest will be made available to the public.
