

The Impact of Childhood Social Skills and Self-Control Training on Economic and non-Economic Outcomes: evidence from a randomized experiment using administrative data

Disclosure statement for Elizabeth Beasley

I declare that I have no relevant or material financial interests that relate to the research described in this paper

A handwritten signature in blue ink, appearing to read 'Elizabeth Beasley', with a long horizontal flourish extending to the right.

IRB Approval

Numerous IRB (ethics committee) approvals have been obtained over the years for the longitudinal study from a variety of institutions. Some protocols included obtaining informed consent for accessing administrative data. The institutions providing IRB approvals include Commission d'accès à l'information du Québec, University of Montreal, and Centre hospitalier universitaire Sainte-Justine. These documents are available from GRIP.
