

Disclosure statement: Miguel Urquiola

“Why do households leave school value added on the table?
The roles of information and preferences”

I received funding for the research described in this paper from the Center for Development Economics and Policy (Columbia), the Faculty Grants Program at SIPA (Columbia) and from my research account at SIPA (Columbia). The research was approved by Columbia University’s Institutional Review Board (IRB-AAAU088). I declare no conflicts of interest.

A handwritten signature in black ink, appearing to read 'M. Urquiola', with a stylized flourish at the end.
