To AER Editorial Office:

I declare that I have no relevant or material financial interests that relate to the research described in the paper entitled "HETEROGENEITY IN SCHOOL-VALUE ADDED AND THE PRIVATE PREMIUM."

This project was funded by multiple internal grants from The World Bank, including grants received under their Knowledge for Change Program and from the Development Research Group Research Support Budget.

During the time that these grants were received, I was an employee of The World Bank in the Development Economics Research Group. Since then, I have consulted for The World Bank on topics unrelated to this work.

Apart from the direct salary payments received while I was an employee at The World Bank, neither I nor my close relative or partner have received financial or in-kind support from any interested party related to this work. Neither I nor my close relative or partner hold any position with entities relevant to this study.

This study was approved by ethical review committees at Harvard University (IRB # **18543**).

Sincerely,

Jishnu Das

Distinguished Professor

McCourt School of Public Policy
