Disclosure Statement

Dear Editors,

The paper “Financial Access and Labor Market Outcomes: Evidence from Credit Lotteries” submitted to be considered for publication in the American Economic Review was conducted without financial support from external sources. Furthermore, I have not received significant financial support within the past three years, and I hold no position as an officer, director, or board member of any non-profit or profit-making institution. Finally, I declare that I have no further relevant or material financial interests that relate to the research described in this paper.

Sincerely,

A handwritten signature in black ink, appearing to read 'J. Skrastins', with a long, sweeping flourish extending to the right.
