American Economic Journal: Applied Economics

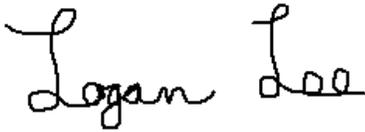

[May 10, 2022]

I am submitting my original manuscript “Halfway Home? Residential Housing and Reincarceration”. This manuscript has not been published and is not under consideration for publication elsewhere.

I have no conflicts of interest to disclose. This research has not received direct financial support and I have no paid or unpaid positions at relevant organizations. I also do not have any relatives in these positions.

The Iowa Department of Correction granted me access to the data after a formal application process. I have obtained IRB approval for the research as well as permission from the Iowa Department of Corrections to make my results public. I am not allowed to make the raw data publically available, but the Iowa Department of Corrections has a formal process for requesting their administrative data. That process begins by reaching out to the IDOC Research Director, Sarah Fineran (sarah.fineran@iowa.gov), and requesting an application.

Sincerely,

A handwritten signature in black ink that reads "Logan Lee". The signature is written in a cursive style with a large initial 'L' and a distinct 'L' for the last name.

Logan M. Lee, PhD
Assistant Professor, Department of Economics
