Editor
American Economic Journal: Applied Economics

Dear Editor:

The author (Pinar Keskin) declares that she has no relevant or material financial interests that relate to the research described in this paper, “Mental Health Costs of Lockdowns: Evidence from Age-Specific Curfews in Turkey.”

This study was approved by the Northeastern University (IRB 20-05-12).

Sincerely,

A handwritten signature in black ink that reads "Pinar Keskin". The signature is written in a cursive style with a large initial "P" and "K".
