

October 24<sup>th</sup>, 2022

Editors of AEJ: Applied Economics,

I declare that have no financial or material interests in the results of the paper titled “Immigration, Crime, and Crime (Mis)Perceptions”.

I declare that this study was funded by a grant from the Inter-American Development Bank, under the project “Understanding the Impacts of Migration in LAC.” as well as by funding provided by ANID’s Fondecyt de Iniciación 11180567.

I disclose that no IRB approval was obtained for conducting this research project as we do NOT (i) obtain information through intervention or interaction with human subjects; and (ii) obtain, use, study, analyze, or generate identifiable private information.

Sincerely yours,

Nicolás Ajzenman  
Assistant Professor  
Sao Paulo School of Economics  
Fundação Getulio Vargas
