

## Dana Shaat Disclosure Statement for

### “When Sarah Meets Lawrence: The Effects of Coeducation on Women’s College Major Choices”

The author declares that she has no relevant or material financial interests that relate to the research described in this paper and did not receive any financial support to conduct this study.

Unrelated to this paper, Shaat has worked on projects supported by the Department of Labor, Department of Education, Bill and Melinda Gates Foundation, and the American Institutes for Research in amounts of over \$10,000.

IRB approval was not sought for this paper because it does not include human subjects research. IPEDS data was downloaded from the NCES website, and HEGIS and HERI data were downloaded from ICPSR. Merges between the HERI college identifiers and the HEGIS/IPEDS data were performed by Ellen Stolzenberg at HERI.

The contents of this research are the responsibility of the author and do not represent the official views of the American Institutes for Research.
