

## Disclosures – Olken

- I am a director of J-PAL at MIT. J-PAL has no stake in the outcomes of any given evaluation results. However, J-PAL does have a position on what is considered a rigorous evaluation methodology.
- I co-direct the JPAL / CID Social Protection Initiative, which receives funding from the Australian Department of Foreign Affairs and Trade, the Livelihoods Impact Fund, the Norwegian Agency for Development Corporation, and the Wellspring Philanthropic Fund. I receive summer salary support as part of directing this Initiative.
- In the past 5 years, I have received research funding for social-protection related research from Australian Department of Foreign Affairs and Trade, the Bill and Melinda Gates Foundation, the JPAL Governance Initiative, the JPAL Innovations in Government Initiative, KOICA, and the United States Agency for International Development/ DIV.
