To Whom It May Concern,

During the period 1/6/2017 – 3/3/2018, I worked on an unrelated project for the EPA/Federal Facilities Restoration and Re-Use Office through a contract with SKEO Solutions. Payment for that project was in excess of \$10,000. While the project was not related to this research, the EPA might be considered to be an “interested party” for the purposes of disclosure.

Sincerely,

A handwritten signature in black ink, appearing to read 'C. Timmins', with a horizontal line extending to the right.
