### **Disclosure Statement**

The following statements relate to my article for the *Journal of Economic Perspectives*:  
“Asylum Migration to the Developed World: Persecution, Incentives and Policy.”

I declare that I have no relevant or material financial interests that relate to the research described in this paper.

I declare that the paper does not use any proprietary data, only data from publicly available sources.

I declare that I have no personal or professional affiliations that could influence the tone or content of the paper.

Yours sincerely,

A handwritten signature in black ink that reads 'T J Hatton'.

Timothy J. Hatton  
Professor of Economics  
University of Essex
