### **Disclosure statement**

The author, André K. Anundsen, declares that he has no relevant or material financial interests that relate to the research described in the paper “Asymmetric effects of monetary policy in regional housing markets”. No financial support has been provided for the particular research it describes. Some of the data used in the paper are proprietary and owned by Moody's Analytics. The data can be purchased from Moody's Analytics webpage <https://www.economy.com/>. Other than this, the author has nothing to disclose.

We have not applied for IRB approval as our research does not involve data on human subjects.

Sincerely yours,

André K. Anundsen
