**Brief Statement:**

I have no relevant or material financial interests that relate to the research described in this paper.

**Full Statement:**

I have received no outside funding for this research project. I have received funding over the past three years for projects on climate policy from the following interested parties: the Climate Leadership Council. I have also undertaken research projects on climate policy leading to research publications for the following groups: Aspen Economic Strategy Group, Resources for the Future, the Sloan Foundation, and the World Bank. None of them has reviewed or otherwise provided input on this paper. I have no other relevant or material financial interests that relate to the research described in this paper.
