

**Disclosure Statement – Robert Feenstra**

**Product Variety, the Cost of Living and Welfare Across Countries**

I received financial support from the National Science Foundation under a Digging into Data grant of the Trans-Atlantic Platform (NSF Award #1724649) for the paper “Product Variety, the Cost of Living and Welfare Across Countries”. There are no other interested parties from whom I have received financial support, and I have no position with any relevant organization. No human subjects were involved in this research.
