

To the American Economic Association,

I have no conflicts of interest to declare for the submitted paper “Organizing Time Exchanges: Lessons from Matching Markets”. While working on this paper I have been Professeur titulaire at U de Montréal. Parts of the research is funded bySSHRC (Canada) and the FRQSC (Québec). The research undertaken in this paper is fully independent from the above-mentioned organizations, which do not have any stake in the results of the paper. I have nothing to disclose in terms of memberships in relevant organizations. No party had the right to review the paper prior to its circulation.

Sincerely,

Lars Ehlers, March 22<sup>nd</sup>, 2020
