In reference to the manuscript entitled "Inference by Stochastic Optimization" I, Serena Ng, declare that

1 I received financial support from the National Science Foundation, grant SES 1538623.
2 I have not received any financial support in the past three years, in the form of consultant fees, retainers, grants and the like. I also did not receive in-kind support, such as providing access to data.
3 I received no funds from interested parties and am not an officer or director of any non-profit or profit-making entity. No relative or partner of mine have received financial support of any type.
4. No other party has the right to review the paper prior to circulation.
5. No data was collected for this research.
6. OUr disclosure statements will be made available on the journal's website.
