

Disclosure Statement

Paper: Employment Effects of Job Search Assistance for the Long-Term Unemployed

Pierre Kempeneers

January 2024

- (1) Pierre Kempeneers received in 2006 funding from the Département de la solidarité et de l'emploi du Canton de Genève to analyze the short-term effects of the Hestia program.
- (2) Le Département de la solidarité et de l'emploi du Canton de Genève financé l'évaluation à court terme du programme Hestia, mais n'a eu aucune influence sur les résultats obtenus ou la méthodologie d'évaluation développée indépendamment par l'Observatoire Universitaire de l'Emploi (OUE) de l'Université de Genève.
- (3) Nothing to disclose.
- (4) No close relative is involved with an interested party.
- (5) No other party had the right to review the paper.

A handwritten signature in dark ink on a light-colored background. The signature is written in a cursive style and appears to read 'Kempeneers'. There is a vertical line drawn through the middle of the signature, and a horizontal line underneath it.
