The authors obtained access to raw data under the following USAFA/IRB Protocols:

FAC2005028H “Peer Effects and Cadet Performance”

FAC 20110043E “Study of Cadet Acceptance of Minority Members”

FAC20100024H “Survey to Investigate Cadet Squadron Social Structure”

FAC2014002H “Factors That Influence the Choice of a Minority Roommate”

The data set was constructed from these raw data files using STATA MP/8 and the file

20170069\_data\_build.do

Output contained in the manuscript was generated using STATA MP/8 and the file

20170069\_main.do

20170069\_main.smcl is an unedited STATA log file.

Output contained in the appendix was generated using STATA MP/8 and the file

20170069\_appendix.do

20170069\_appendix.smcl is an unedited STATA log file.
