**RE: Financial disclosure statement**

Dear Editors:

I declare that I possess no relevant or material financial interests associated with the research described in this paper (“Disclosure and Subsequent Innovation: Evidence from the Patent Depository Library Program”) and that I have declared in the paper’s Acknowledgements all financial support I have received for the project (i.e., National Science Foundation, SciSIP grant, SES-1564368).

In particular, I have received no consultant fees, retainers, grants, or in-kind support from any organization relevant to the project nor do I have a non-disclosure obligation associated with this or any other research project on which I am working.

I should also note that I did not seek IRB approval for this paper, as no human subjects were involved.

Sincerely yours,
