

Disclosure Statement

The author declares that she has no relevant or material financial interests that relate to the research described in the paper “Sin Taxes and Self-Control”.

At the time the research was conducted, the institutes with which the author was affiliated (Department of Food and Resource Economics) did not have an IRB. Moreover, the dataset is de-identified by the provider (GfK Consumertracking Scandinavia).

Hence, no IRB approval was needed or obtained.

A handwritten signature in black ink, appearing to read "Sinne Smed". The signature is written in a cursive style with a large, sweeping initial 'S'.

Sinne Smed, 5 May 2022
