

April 2nd, 2022

Editors, *American Economic Journal: Policy*

I declare that I have no relevant or material financial interests that relate to the research described in the paper "Do Tax Incentives Increase Firm Innovation? A RD Design for R&D, Patents and Spillovers" authored by Antoine Dechezleprêtre, Elias Einiö, Ralf Martin, Kieu-Trang Nguyen, and John Van Reenen. I acknowledge financial support from the National Bureau of Economic Research.

Best regards

A handwritten signature in blue ink, appearing to read "Kieu-Trang", with a long horizontal line extending to the left and a large, stylized flourish below the name.

Kieu-Trang Nguyen
