I, Ethan Kaplan, have only used funds from my university-provided research account for the research involved in this paper: "VOTING FOR DEMOCRACY: CHILE'S PLEBISCITO AND THE ELECTORAL PARTICIPATION OF A GENERATION". I do not currently and have not for the duration of my work on the paper any positions on any boards of organizations, both for-profit and non-profit. No party has or has had the right to review this research. The same can be said for any members of my family.

Sincerely,

A handwritten signature in black ink, appearing to be "EK" or similar initials, written in a cursive style.
